

CCFFR-SCL 2022 Program Overview

Thursday, February 24, 2022 6:00 pm - 9:00 pm

- Set up delegate posters and exhibitor booths in Prefunction Area
- Granville Room open for delegates to test their presentation files
- Parq Grand Ballroom (symposium rooms) open for delegates to load their files on presentation laptops

All talks and sessions will take place in the Parq Grand Ballroom

Friday, February 25, 2022						
Room	A	B	C	D	E	F
7:00 AM	Registrant sign-in					
7:30 AM	COFFEE / Poster set-up / Load presentations					
8:00 AM	COFFEE / Poster set-up / Load presentations					
8:30 AM	Welcome					
9:00 AM	Plenary Lecture - J.C. Stevenson Award					
9:30 AM	Plenary Lecture - Frank H. Rigler Award					
10:00 AM	Plenary Lecture - Frank H. Rigler Award					
10:30 AM	COFFEE					
11:00 AM	Applied Science: Barriers, Flows, and Connectivity	Evolution and Genomics	Contaminants and Water Quality	Recreational Fisheries: The Human and Biological Dimensions	Fish Movement	Indigenous Management Systems
11:30 AM						
12:00 PM						
12:30 PM	LUNCH					
1:00 PM	LUNCH					
1:30 PM	Fish Habitat	Evolution and Genomics	Contaminants and Water Quality	Recreational Fisheries: The Human and Biological Dimensions	Tribute to Kim Hyatt	Indigenous Management Systems
2:00 PM						
2:30 PM						
3:00 PM	Fish Habitat	Evolution and Genomics	Contaminants and Water Quality	Recreational Fisheries: The Human and Biological Dimensions	Tribute to Kim Hyatt	Indigenous Management Systems
3:30 PM						
4:00 PM						
4:30 PM	Fish Habitat	Evolution and Genomics	Contaminants and Water Quality	Recreational Fisheries: The Human and Biological Dimensions	Tribute to Kim Hyatt	Indigenous Management Systems
5:00 PM						
5:30 PM						
6:00 PM	Dinner set-up / Poster session					
6:30 PM	Dinner set-up / Poster session					
7:00 PM	DINNER					
7:30 PM	DINNER					
8:00 PM	DINNER					
8:30 PM	DINNER					
9:00 PM	DINNER					

Saturday, February 26, 2022						
Room	A	B	C	D	E	F
7:00 AM	Registrant sign-in					
7:30 AM	COFFEE / Registrant sign-in / Load presentations					
8:00 AM	COFFEE / Registrant sign-in / Load presentations					
8:30 AM	Fish Ecology: Communities to Ecosystems	Food Webs	Salmon in a Changing Climate	Fish Physiology	Aquatic Habitat Restoration & Partnerships	Aquatic Habitat Restoration & Partnerships
9:00 AM						
9:30 AM						
10:00 AM	Fish Ecology: Communities to Ecosystems	Food Webs	Salmon in a Changing Climate	Fish Physiology	Aquatic Habitat Restoration & Partnerships	Aquatic Habitat Restoration & Partnerships
10:30 AM						
11:00 AM						
11:30 AM	Cumulative Effects in Watersheds	Food Webs	Salmon in a Changing Climate	Climate Extremes and Change in Aquatic Systems	Aquatic Habitat Restoration & Partnerships	Aquatic Habitat Restoration & Partnerships
12:00 PM						
12:30 PM						
12:30 PM	LUNCH					
1:00 PM	LUNCH					
1:30 PM	Cumulative Effects in Watersheds	Fisheries Science and Management	Salmon in a Changing Climate	Climate Extremes and Change in Aquatic Systems	Restoration of Freshwater Ecosystems	Restoration of Freshwater Ecosystems
2:00 PM						
2:30 PM						
3:00 PM	Cumulative Effects in Watersheds	Fisheries Science and Management	Salmon in a Changing Climate	Climate Extremes and Change in Aquatic Systems	Restoration of Freshwater Ecosystems	Restoration of Freshwater Ecosystems
3:30 PM						
4:00 PM						
4:30 PM	Final and brief CCFFR Business Discussion & Society of Canadian Aquatic Sciences (SCAS) Plenary Discussion					
5:00 PM	Dinner set-up / Poster take-down					
5:30 PM	Dinner set-up / Poster take-down					
6:00 PM	Dinner set-up / Poster take-down					
6:30 PM	DINNER					
7:00 PM	DINNER					
7:30 PM	DINNER					
8:00 PM	DINNER					
8:30 PM	DINNER					
9:00 PM	DINNER
